ELMIRA'S NORTHSTAR REFRIGERATORS OFFER FUNCTIONALITY AND TIMELESS VINTAGE DESIGN

ELMIRA, Canada – Elmira Stove Works continues its commitment to unique designs coupled with high quality appliances with the Models 1950, 1951 and 1952 refrigerators in the company's retro [Northstar](#) collection. Varying in size and features, the three refrigerator models supply any home with modern day technology and the perfect size options to meet a growing family's needs.

Model 1952

"The Northstar collection instantly creates an atmosphere of fun and nostalgia, while also being extremely user-friendly. The Model 1950 and 1952 can serve an everyday kitchen's storage and cooling needs, and the compact Model 1951 is ideally sized for an apartment, cottage, garage or extra kitchen storage for favorite snacks and beverages," said Brian Hendrick, Vice-President of Elmira Stove Works.

The larger models (18.2 for the Model 1952 and 18.5 cubic feet for the Model 1950) feature "Visi" shelving for easy access, optional ice makers and Energy Star® high-efficiency technology. The Model 1951 supplies 11 cubic feet of storage and stands 62 inches tall and 24 inches wide. Model 1951 comes standard with an interior light, tall bottle storage, frost-free operation and adjustable interior shelves.

All units are available in the nine colors of the Northstar palette, including Candy Red, Buttercup Yellow, Robin's Egg Blue, Flamingo Pink, Quicksilver, Black, Mint Green, Bisque and White. In addition, customers can customize their Northstar fridge color to meet any interior design or aesthetic needs – including one's favorite team colors!

The Northstar Collection also offers a complete line of customizable 1950s inspired appliances including microwaves, dishwasher panels, and hoods. With chrome trim, bright colors and smooth lines the Northstar line instantly creates a retro transformation, offering a quick and easy remodeling option.
